

Oak Park Inspired Frank Lloyd Wright Style

*7780 Campus Lane
In the Heart of Olde Montgomery*

Local Architect Michael Hamilton recreates Wright's Village of Oak Park period in our Village with all the nuances. Shingle and Stone exterior, veranda entry, stylized glass lighting and inserts, polished hardwood, multiple fireplaces combine with 21st Century State of the Art kitchen, baths, lighting, & windows. In Wright's houses rooms are no longer "boxes beside boxes". Instead "the whole...is one room" it's different uses suggested by subtlety of design rather than closed off with walls. Everything was to be a unified whole, Wright liked to say order out of chaos.
